

## Tree Plantation Drive

**Organised by:** Taruvar Club, Maltidhari College, Naubatpur (Patna)

**Date:** 20 December 2025

**Time:** 12:00 Noon

**Venue:** College Campus, Maltidhari College, Naubatpur (Patna)

A meaningful and inspiring **Tree Plantation Drive** was organized on 20 December 2025 by the **Taruvar Club, Maltidhari College, Naubatpur (Patna)**, with the objective of strengthening social and academic responsibility towards environmental protection and climate change. The programme was successfully conducted under the able leadership and guidance of the Hon'ble Principal **Dr. Akhilesh Kumar**.

The objective of the drive extended beyond mere plantation and focused on developing environmental awareness among students and teachers, promoting sustainable development, encouraging biodiversity conservation, and fostering collective responsibility towards combating climate change.

The event was graced by the presence of senior and respected faculty members including **Dr. Hemant Kumar Jha, Dr. Sweta Bala, Dr. Sweta Rai, Dr. Ankit Kumar, Dr. Gorakh Ram, Dr. Sanyukta Mayuri, Shri Shishir Kumar, Shri Sudhanshu Shrivastava, Ms. Shashikala Devi, and Shri Sonu Kumar**. Faculty members actively participated in the plantation activity, motivating students to adopt eco-friendly practices.

Volunteers from the **NSS Unit**, students of the **BCA Department**, and learners from various **B.A. and B.Sc. programmes** participated enthusiastically. Environment-friendly, useful, and shade-giving saplings were planted across the campus, and participants pledged to nurture and protect them.

Speakers highlighted that tree plantation is not merely a ceremonial activity but a continuous process essential for ensuring a clean, safe, and balanced environment for future generations. It was also emphasized that the initiative is not a one-day programme but a sustained environmental effort that will be carried forward in a phased manner.

### Academic and Institutional Significance

The tree plantation drive organized by the Taruvar Club significantly contributed to enhancing students' environmental responsibility, social participation, and awareness of **sustainable living**. The programme stands as an important example of the college's **Green Initiatives, community engagement, and environmental activities aligned with NAAC quality indicators**.

### Concluding Remark

Overall, the tree plantation drive conducted by the Taruvar Club strongly reflected the institution's commitment to the **Green Campus concept**, environmental sustainability, and compliance with **NAAC and UGC quality standards**. The initiative reaffirmed Maltidhari College's dedication to environmental responsibility and holistic education.
