

International Women's Day – 2025

Date: 07 March 2025

Celebrated with awareness, inspiration, and dignity. The program honored women's social, educational, economic, and cultural achievements while promoting gender equality and women's empowerment. Speakers emphasized women's empowerment as a social necessity and a prerequisite for national development.

Special Achievements

- Raised awareness on gender equality and women's empowerment at institutional level.
- Developed students' sensitivity, constitutional awareness, and respectful behavior.
- Encouraged inclusive academic environment through participation of female faculty and students.

Conclusion

The program highlighted the college's commitment to integrating education with values of equality, respect, and empowerment, preparing students to be sensitive, responsible citizens.
