

**Lecture on Union Budget 2025**  
**Organizer:** Department of Economics  
**Session:** 2024–25

A special lecture introduced students to the structure, priorities, economic impacts, and social-development perspectives of the Union Budget 2025. Key points included fiscal policy, tax reforms, allocations for education and health, employment generation, digital economy, agriculture, and social welfare.

**Special Achievements**

- Provided students with insights into national economic policies.
- Clarified theoretical knowledge in practical context.
- Encouraged critical thinking and analytical skills.
- Fostered student participation through Q&A sessions.

**Conclusion**

The lecture reflects the department's commitment to providing students analytical understanding of contemporary economic events, fostering informed, responsible, and aware citizens.

**Vivekanand Jayanti (National Youth Day) – 13 January 2025**

The program celebrated Swami Vivekananda's life, philosophy, and youth empowerment, emphasizing character building, discipline, moral values, and service to the nation. Students were inspired to adopt his teachings for personal and social development.

**Special Achievements**

- Connected students with Indian philosophical tradition.
- Promoted value-based education through Vivekananda's ideas.
- Developed confidence, discipline, and moral awareness.
- Aligned with NAAC/IQAC indicators on student personality development.

**Conclusion**

The event reflects the college's commitment to holistic development, nurturing students as academically competent, morally conscious, and socially responsible citizens.
