

MOOC Course Enrollment Initiative

Date: 28 January 2026

Time: 12:30 PM

Venue: Malti Dhari College, Naubatpur, Patna

On 28 January 2026 at 12:30 PM, Malti Dhari College achieved a significant milestone by launching its MOOC course enrollment drive, making it mandatory for all students. This initiative reflects the institution's proactive approach toward implementing the New Education Policy (NEP) and promoting digital learning.

The programme was coordinated by Dr. Kumari Bharti, Assistant Professor, Department of Philosophy and Course Coordinator, who successfully registered more than 100 students on the SWAYAM portal for courses on Artificial Intelligence and Communication. This step encouraged students to adopt modern learning platforms and enhance their interdisciplinary knowledge.

The inauguration was conducted by the Principal, Dr. Akhilesh Kumar, through the traditional lamp-lighting ceremony. In his address, he emphasized the growing importance of MOOC courses in the context of NEP and highlighted their role in enhancing students' academic growth, skill development, and employability.

Key Highlights

Mandatory MOOC enrollment ensured for all students, with 100+ SWAYAM registrations, focusing on AI, Communication, NEP compliance, and faculty participation.

Special Achievement

- Malti Dhari College is likely among the first institutions under Patliputra University (PPU) to implement mandatory MOOC enrollment, marking a progressive step in academic innovation.

Concluding Remark

The launch of the MOOC enrollment drive signifies a forward-looking initiative by Malti Dhari College toward integrating technology-driven education. It highlights the institution's commitment to providing quality education, enhancing student competencies, and aligning with national educational reforms.
