

Institutional Meeting with IIT Patna

Date: 21 February 2026

On 21 February 2026, a highly fruitful meeting was held between the Principal, Dr. Akhilesh Kumar, and Prof. T. N. Singh, Director, IIT Patna, regarding the signing of a Memorandum of Understanding (MoU) for academic collaboration.

The proposed collaboration aims to promote joint initiatives in training, education, and research. The Director assured full support for the establishment and integration of a Plant Tissue Culture Laboratory, which will significantly enhance student exposure, faculty development, and advanced research opportunities, paving the way for future academic excellence.
